

Introduction

Dear Colleagues,

With ongoing discussions about the Ohio Transfer Module (OTM) and its relationship to institutional General Education programs we are requesting that you complete a short survey to outline your institution's general education learning outcomes, courses, and overall program.

This survey will inform further discussion on inclusions within a revised OTM. Please complete the survey by Monday, September 9, 2019.

Should you have any questions about the survey, please contact Cathy Chudzinski at cathychudzinski@gmail.com.

Thank you!

1. Demographic Information

Name

Title

Institution

E-mail

Phone Number

- * 2. Is the Ohio Transfer Module (OTM) embedded as a subset of all Associate of Arts Degrees at your institution? If not please explain.

- * 3. Is the Ohio Transfer Module (OTM) embedded as a subset of all Associate of Arts degrees at your institution? If not please explain.

- * 4. What nomenclature does your institution use to designate their General Education Learning Outcomes?

* 5. What is the total number of semester hours of your institution's General Education Requirements for the AA and AS degrees?

* 6. Does your institution require any specific courses within the OTM as Institutional General Education Requirements (for example: a second English Composition course, Oral Communications, History)?

* 7. Does your institution require as part of your General Education Requirements any courses not contained in the OTM? If "YES" please list those courses.

The next question is broken into two parts, please answer one or both parts.

8. (Part 1) Are there any additional General Education Learning Outcomes, not currently a part of the OTM, that you would recommend be considered for inclusion in the OTM?

9. (Part 2) List up to 3 additional Learning Outcomes, in order of institutional priority.

* 10. Please describe any challenges or limitations with the current OTM.

Thank you for the feedback!
